

**FINAL INSTRUCTIONS**  
**Saturday April 5, 2025**

Dear HoH Participant,

Thank you for registering for our 2025 event. This document includes information and details to help make your ride this weekend safe and enjoyable. Please read it carefully.

**PRIOR TO THE RIDE:**

WEATHER. The current forecast calls for cool temperatures and rain; let's hope this improves. Check the latest forecasts prior to the event, and dress appropriately.

EQUIPMENT SELECTION. We always suggest using tires wider than 23mm; we personally prefer 28 mm, if riding a road or CX bike.

FILL YOUR BOTTLES. Please fill your bottles at home and save time by being prepared to ride.

PARKING. Official Parking is at:

[Montgomery High School](#)

1016 County Rd 601 (Blawenburg Belle Mead Rd)  
Skillman, NJ 08558

**THERE IS NO PARTICIPANT PARKING OR DROP-OFF AT THE ELKS LODGE. PLEASE DO NOT DRIVE THERE; DRIVE DIRECTLY TO THE SCHOOL AND RIDE YOUR BIKE TO THE ELKS LODGE FOR REGISTRATION & THE START.**

The main entrance to the High School is on RT 601, at the traffic light with a street sign labeled "Montgomery Township High School". Please be diligent about where you park, and do not leave valuables in your vehicles. For parking details please see: <http://www.hellofhunterdon.com/directions-parking/>

**Please note the High School restrooms will NOT be open this year. Restrooms will be available at the Elks Lodge**

PACKET PICK-UP. Each registrant must pick up their own packet in-person by Saturday to get their wrist band; riders can't pick up wristbands for other riders.

Please park your bike outside in the bicycle parking area: bikes are not allowed inside the building. **IMPORTANT; THE ELKS REQUIRE YOU TO REMOVE YOUR CYCLING SHOES UPON ENTERING THE BUILDING SO AS NOT TO DAMAGE THEIR FLOOR!**

Saturday April 5, 2025 7:30 AM – 8:45 AM

[Princeton Elks Lodge](#)

354 Route 518

Blawenburg, NJ 08504 or Skillman, NJ 08558 (not all maps recognize Blawenburg)

All riders must complete a waiver. If you digitally signed your waiver on BikeReg during the registration process, you don't need to sign a paper waiver. All riders under 18 must have their parent or guardian sign their waiver.

RESTROOMS. There will be Restrooms at the following locations:

Start/Finish: There are men's and women's restrooms inside the Elks Lodge. There may be porto-potties outside; historically these have been under used; the lines are typically shorter for them.

Aid Stations: Each aid station will have restrooms. Also on Course are:

Otto's Park at Mile 7.4 (Short, Medium & Long Courses) has a porto there year-round

Bulls Island Park at Mile 41.2 (Long Course only) has restrooms with sinks

**Please note that the Montgomery High School (the site of the official parking lot) restrooms will NOT be open this year.**

BEER GLASS & MERCHANDISE. Each registrant will receive a Hell of Hunterdon beer glass as part of their entry. However, you need to pick it up on Saturday, AFTER YOUR RIDE.

If you pre-ordered merchandise (in 2025 or have older merchandise on hold for you), you can pick it up on Saturday following your ride. We have segregated the pre-orders from the items that will be available for on-site sale.

There will be a special area for merchandise. We are doing this to keep the reg lines moving and so you don't have to go back to your car before the ride.

We have a limited number of items available for On-Site Sale on Saturday following the ride. Preferred Payment is cash, but checks, PayPal/Venmo/Zelle, and credit card payments are accepted. All sales are on a first come, first served basis.

BIKES/PARTS DRIVE. We are delighted to have the event benefit [Trenton Cycling Revolution](#), but it only works if you help them out. Please bring your unwanted bicycles, cycling clothing, components and accessories to donate to them. There are a lot of kids that can use the stuff you have retired, even if you consider it junk. You can drop off your donations at TCR's space at the Montgomery High School Parking Lot; look for their sign. We'll also collect items for them at the Elk's Lodge.

STROOPWAFELS. Pre-ride we'll have stroopwafels available in the registration area inside the Elks Lodge.

## **RIDING THE EVENT:**

REMINDER. This is a RIDE and NOT A RACE. The roads are completely open to traffic. The conditions are very challenging, so don't push things. Ride in a manner that obeys traffic rules, is safe for yourself, and is courteous to your fellow riders and other road users.

WRISTBAND. All riders must wear their wristband. Wristbands allow access to aid station and post ride food/drink.

START LOCATION. [Princeton Elks Lodge](#) 354 Route 518 Blawenburg, NJ 08504

AT-WILL START TIME. You may leave any time after you check-in (starting at 7:30 AM) up until 8:45AM. The roads are open to traffic, and you must obey all the rules of the road. We request the long course riders start

earlier, the medium course riders start in the middle, and the short course riders start later of this period. Lunch will not be available until 11:30, so there is no need for Short Course riders to start too early.

**Food & Drink Service ends by 4:00. Thus, if you are riding the long course, and are not capable of averaging at least 12 MPH inclusive of stops on gravel roads and hilly terrain, you will need to start early in the start window in order to make the cut offs.**

AID STATIONS. The Long Course has 2 Aid Stations, the Medium Course has 1 Aid Station, the Short Course doesn't have any Aid Stations.

TRASH. Do not litter! Use the trash cans/bags at the aid stations. Pocket your gels & food wrappers, dead tubes, etc. We will not be invited back into certain townships if they deem our participants to be litterers... This is a serious matter. We have trash cans at the aid stations; you have pockets; please use them. [Trenton Cycling Revolution](#) will take your dead tubes at the finish for their programs, so please don't leave them on the course.

MECHANICAL SUPPORT. Please make sure your bike is in working order and that you have your own spare tubes and tools. [Trenton Cycling Revolution](#) will be available for major problems, but please be prepared to fix your own bikes. SAG drivers may be available to assist, but they are not professional mechanics. SAGs will have pumps, and a limited amount of spare 700c tubes.

SAG SUPPORT. If you are unable to finish the event for some physical or mechanical reason, call or text the event hotline at [267-894-0840](tel:267-894-0840). You will be picked up as soon as feasible and either transported to the nearest aid station, where you can arrange to have someone pick you up, or back to the finish line as required by the demands of the event. Please keep in mind that this is not a door-to-door taxi service, and there are other riders that also need to be supported. Assistance will come as soon as possible.

COURSE MARKING. There are none this year! We highly suggest using the provided GPS Files, Ride With GPS App, and Cue Sheets!

ROUTE MAPS, GPS FILES & CUE SHEETS. The Official Cue Sheet are posted to the [HoH Download Page](#). Please print your own.

Please ensure you are using the latest files. TCX & FIT files with turn warnings are posted to the [HoH Download Page](#). GPX & KML Files may be obtained from Ride With GPS (see Links below).

**CUT-OFF TIMES & SHORT-CUTS.** In order to get you back to the finish on-time (by 3:30) the following Cut-Off Times are in place. Please start earlier in the start window if you average less than 12 MPH (inclusive of stops) on hilly terrain and gravel roads.

Time	Description	Location	Action
10:20 AM	Long Course Cut-Off	Mile 23: Long/Medium Course Split (Boss Rd @ Garboski Rd)	All Riders on the Long Course who arrive at this location after 10:20 AM are advised to make the left turn onto the Medium Course at Garboski Rd.

Since there are 3 courses, if your day isn't going to plan, you can switch routes where the courses split. If that still isn't doing the trick, there are 2 Short-Cuts available. Please note, if you go off the official courses, we may not be able to support you in a timely fashion.

**FINISH LINE CLOSURE/EVENT END TIME.** The finish line officially closes at 3:30, and all course services will end at this time. Post ride food and beverage services will cease by 4:00 PM.

**RULES OF THE ROAD.** Please remember that you are on open roads during the entire ride. All cyclists must obey all traffic laws; this includes – but is not limited to – traffic lights and stop signs. Violators may be ticketed by law enforcement. All riders are personally responsible for knowing New Jersey's traffic laws.

<http://www.state.nj.us/transportation/commuter/bike/regulations.shtm>

**IN CASE OF EMERGENCY.** If you have-or witness—a crash or medical emergency, immediately call 911, and then call or text the event hotline [267-894-0840](tel:267-894-0840). Secure the area to the best of your ability, but do not put yourself or others in additional danger while you wait for emergency personnel.

**COURSE NOTES:** The course contains a lot of dirt & gravel roads; this is probably why you registered! While all of these unpaved roads are maintained, many of the roads have not been repaired yet from the winter. Expect pot holes on most roads, as well as mud, ruts, deep holes, and loose gravel on every unpaved road.

Some of the local municipalities have been getting complaints about cyclists' riding habits. Please keep in mind that we are guests in these communities, and we want to be welcomed back. Sharing the road goes 2 ways; be courteous to other road users while protecting yourself by riding smart and safe.

Thus, it is important that you ride as far to the right as safely possible, and that you obey the centerline (whether it is painted or implied). There are a lot of twisty roads, so keep to the right, and ride single file, particularly where posted.

Please see the official cue sheet for course notes. They are available on the [HoH Download Page](#)

**Pot Holes:** There are significant numbers of bad potholes out there, which may be difficult to see in a group. Since this ride takes place on many small roads, there may not be sufficient room for participants riding wider than single file to avoid holes and allow room for motor vehicles to pass safely. Remember, they won't be able to see that you have changed your line to avoid a hole... Assume all puddles are filling deep holes!

### **POST RIDE:**

**SIGN-IN.** When you finish your ride, check back in; this is one way we try to keep track of who is still out on course. When you do, you'll receive your HoH goodies. ***Once again, please remove your cycling shoes when you enter the Elks Lodge.***

**CHANGING ROOMS.** Since your cars will be 1 mile away, we suggest you bring a change of clothes and street shoes for the post ride festivities, which you can leave in the Elks coat room. You can change into your civies in the restrooms. We take no responsibility for items left; we are merely supplying the space.

Since the Elks request that no one wear their cleats in the building (trying to protect their carpet & floor) having street shoes, sandals, or socks available to you would be a benefit.

**BIKE PARKING.** For safety and convenience, we are setting up an unsecured bicycle parking area in the Elks Parking Lot. Bikes are not permitted inside the Elks Lodge.

**POST-RIDE FESTIVITIES.** After your ride, be our guest for beer made by several New Jersey breweries and hot food prepared by [IQuisine](#). You will need your wristband to get food & drinks. Lunch is for registered riders and

volunteers only, along with those with Companion Passes. **Festivities start at 11:30 and will finish no later than 4:00.**

There is banquet seating inside, and there is plenty of hangout space on their property. If you want to hang outside, beer can be consumed outside, as long as you remain on the Elks property. We need to be packed up by 5:00 this year. So while we hate to rush anyone, we'll be packing up as we go during the event.

GET SOCIAL. Please post your thoughts, photos, videos, etc. about the event on Facebook, Twitter & Instagram. Please tag us and where appropriate use the following hashtags:
